LETTER TO MATERNITY STAFF FROM DONNA OCKENDEN

16 June 2021

Dear Staff Member

The Review Team and I continue to work towards the publication of our second report and staff voices play an important part in this review. You will recall that we launched the staff voices questionnaire survey a few weeks ago as it is important to us that we capture the experiences of staff who work and have worked at the Trust.

Understanding how the Trust works and what can be learned from the way it works is an essential part of our review. We are calling on you as a member of staff, who may have worked in any capacity in maternity services at The Shrewsbury and Telford Hospital NHS Trust between 2000 and the present day to take part in the survey.

We want to hear from all staff who have worked in maternity services at the Trust including doctors, midwives, anaesthetists, obstetricians, nurses, support workers, administrators, theatre staff, portering staff, and managers. Even if your role is not mentioned here, we still want to hear from you and you can tell us what your role when you are completing the survey.

You can request a link to the survey by emailing staffvoices@donnaockenden.com

If you would like to speak to a member of the Independent Maternity Review team before you complete the survey, you can do this in confidence by contacting us at staffvoices@donnaockenden.com

The survey will close on Wednesday 30 June at 5pm.

Thank you

Donna Ockenden
