

Dear Colleague,

As you are aware, the Independent Maternity Review, chaired by Donna Ockenden, would like to hear from staff who worked in maternity services at the Trust from 2000 until the current time. As part of this work, the review team would like to understand from current and former staff their experiences of what it was like to work in the Trust's maternity services. Please click [here](#) to read a copy of the press release in full.

SaTH is working with Donna to support her review and to facilitate the survey being shared with you. Further to the colleague message which was shared with you last week, and queries that we have received from staff, we are writing jointly to provide you with some further guidance. Direction on how survey answers will be stored, the confidentiality of your answers, and how your details will be used are included on the homepage of the survey. To read this information, and to complete the survey, please click on the following link: [The Independent Maternity Review Staff Survey](#).

Currently there is no scheduled closing date for the survey.

If you have any further questions about the survey, please contact the Independent Maternity Review team directly, and in confidence, by emailing: staffvoices@donnaockenden.com

Support is also available to you through the Trust's health and wellbeing team, its pages on the [intranet](#) and your line manager.

Thank you and best wishes,

Louise Barnett
Chief Executive

Donna Ockenden
Chair of the Independent
Maternity Review
